

Question:**Idioms and Phrases**

Choose the most appropriate meaning of the following idiom/phrase. To have cold feet

- 1 to feel very cold
- 2 to pay much attention to
- 3 to lose confidence
- 4 to pour water on something

Downloaded From: eLearn Pro (<https://myelearnpro.com/>)

Explanation:

If you get cold feet about something, you become nervous or frightened about it because you think it will fail. For Example, the government is getting cold feet about the reforms.
