

**Question:**

## Geography of India

The Southern tip of India is:

- 1 Cape Comorin (Kanyakumari)
- 2 Point Calimere
- 3 Indira Point in Nicobar Islands
- 4 Kovalam in Thiruvananthapuram

*Downloaded From: eLearn Pro ( <https://myelearnpro.com/> )*

**Explanation:**

Kanyakumari is the southernmost mainland tip of India. Indira Point in the Andaman and Nicobar Island is the southernmost tip of the Indian territory. The northernmost point of India lies in the union territory of Ladakh and it is known as Indira Col.
