

**Question:**

Average

What is the average of the following set of numbers? 965, 362, 189, 248, 461, 825, 524, 234

- 1 476
- 2 504
- 3 461
- 4 524

*Downloaded From: eLearn Pro ( <https://myelearnpro.com/> )*

**Explanation:**

Required average

$$\begin{aligned} &= (965 + 362 + 189 + 248 + 461 + 825 + 524 + 234) / 8 \\ &= 3808 / 8 \\ &= 476 \end{aligned}$$
