Question: Indian Constitution and Polity

Which of the following is *not* a tool of legislative control over administration in India?

1. Dissolution of House
2. Resolutions
3. Questions
4. No Confidence Motion

Downloaded From: eLearn Pro (https://myelearnpro.com/)

Explaination:
In India, the tools of legislative control are Questions, Resolutions, Discussion, Adjournment Motions, Votes of Censure, Budgets and Parliamentary Committees, Public Accounts Committee, Estimates Committee, Committees on Public Undertakings, Committee on Subordinate Legislation and the Committee on Assurances. The dissolution of Lok Sabha is not a tool of legislative control over administration in India.
