

Question:**Indian Constitution and Polity**

The Bureaucracy performs:

- 1 only administrative functions
- 2 only judicial functions
- 3 only legislative functions
- 4 administrative as well as quasi-judicial and quasi-legislative functions

Downloaded From: eLearn Pro (<https://myelearnpro.com/>)

Explanation:

A quasi-legislative capacity is that in which a public administrative agency or body acts when it makes rules and regulations.

Quasi-judicial is defined as an action by an administrative agency which ascertains certain facts, holds hearings, weighs evidence, makes conclusions from the facts as a basis for their official action, and exercises discretion of judicial nature.
