

Question:**Sentence Completion**

Select the most appropriate word for the blank space. He has a _____ tongue; his pinching sarcasm has _____ everyone who has come into contact with him.

- 1 wanton, immunised
- 2 vitriolic, alienated
- 3 pungent, animated
- 4 recalcitrant, humanised

Explanation:

Go for the second blank first. What is sarcasm? It is saying the opposite of what you mean. One gets sarcastic in order to mock or insult others. A girl whom you have treated with such “pinching sarcasm” will never be friendly or sympathetic to you in future. You have thus alienated her. Those who are thus “pinchingly sarcastic” have a vitriolic tongue. That is, their words are full of hatred and anger.
