

Question:**Sentence Improvement**

Replace the phrase given in bold to make it grammatically correct. She wished that her career could be **as glamorous as the other women** but not willing to work as they had.

- 1 as glamorous as the other women's
- 2 more glamorous than the career of the other women
- 3 glamorous
- 4 glamorous like other women
- 5 No correction is required

Explanation:

The subject is absent from the sentence but if you complete the sentence you will find it should be "she wished that her career was as glamorous as the other woman's career." ***In sentences such as these where the noun is hidden, it is helpful to complete the noun to find the correct answer.***
